Publij Fauſti Andrelini Foroliuienſis Poetę Laureati. Regijqꝫ ac Regineï Hecatodiſtichon ad Preſtantem virum Joannem Ruſeum Generalem Queſtorem promeritiſſimũ

Q̃ꝫ fauſta dedit miſſus primordia nummus
Fauſtior incepta ſit quoqꝫ finis ope
Principium ex alto naſcens ardore probatur.
Juſta ſed in ſolo fine corona datur

Ad Diſticha.

Creſcite cum largo mea diſticha: creſcite: cenſu:
Depoſcunt tutę fertile carmen opes.

Nulla dies ſine linea.

Nulla dies abeat: quin linea ducta ſuperſit
Non decet ignarum preterijſſe diem

Ad lectorem.

Quid me tam miris ſublimem laudibus effers
Diuinum ingenium plena crumena facit

Haud bene cantatur exhauſta crumena

Legitimus tacto concentus manat ab ęre:
Non bene quum vacua eſt vlla crumena ſonat.

Cęcus cantat ob habitam ſtipem

Ipſe habita ſacram cęcus ſtipe cantat ad ędem
Mutus abit: nudam cum trahit ille manum

Pecunia rerum regina.

Unica cunctarum regina pecunia rerum
Pręcipuum magno pro Joue numen habet.

Aurum ſole ſplendidius:

Clara quidem profert phębeus lumina fulgor
Purius eſt aurum ſplendidiuſqꝫ micat

Pauper

Durius abiecto nihil eſt quod paupere viuat
Indigus eſt pauper: nil niſi triſtę malum.

Diuiti omnia Pauperi aut parū: aut nihil

Quilibet ęquoreas ſemper fluit amnis in vndas
Pauperiora culex tecta rotumdus adit.

Aſſentator.

Qui blando patulas paraſito commodat aures
Inſanum ex ſtulto pectore pectus habet.

Debitor:

Semper ⁊ infęlix alieni debitor eris
Duraque ſeruili vincula mente gerit.

Amor.

Non amor antiquo fuerat ſed amaror ab ęuo.
Dicendus: cum ſit ſemper amarus amor

Idem

Cura placens predulce malum: triſtiſque voluptas
Heu veſana furens pectora cecat amor

Non Amans. ſed amens

Si ſapis amentem dicas: non lector amantem
Nam nihil inſanus mentis amator habet

Leno:

Communis ſtultę peſtis damnoſa iuuentę
Surripit incautas leno doloſus opes

Scortum

Non ſcortum eſt aliud: niſi blanda ⁊ ſubdola ſyren:
Que trahit humanum ſub vada ceca genus

Idem.

Ad viuam ſcortum ſugens vt hyrundo medullam
In Paphiam exhaurit pectora prona deam

Fęmina.

Cũcta ſub aſtrigero regnantia crimina cęlo
Nutrit in ęternos fęmina nata dolos.

Caput fęmineum.

Non ſi fęmineum crebro caput igne refundas:
Ingenij mutes prima metalla ſui.

Coitus.

Turpis: ⁊ eſt morbi ſpecies horrenda caduci
Quum iacet exanimis poſt ſua furta venus

Vinum.

Immodicus lędit: ceu dira cicuta lyęus:
Non facit ad longum crapula multa diem.

Ad bibacem.

Ebria ne titubent dubio veſtigia greſſu
Temperet appoſitum lympha refuſa merum

Ad eundem.

Non imos epota pedes: ſed bacchica ſummum
Vis caput inuadit: parcius ergo bibe:

De Venerę ⁊ Baccho.

Semper iuncta venit bibulo cytherea lyęo.
Res eſt inflammans luxurioſa merum

Gula

Sint ignota licet magni patrimonia Cręſi
Immenſe abſumunt alta barathra gulę

Ocium.

Corrunpunt forti celſas cum pectore mentes
Ocia plumoſo deſidioſa thoro

Somnus

Quam vigili ignauo demis ſolertia ſomno
Additur hęc vitę longior hora tuę.

Fama

Alta cleonęo quęrenda eſt fama labore:
Non venit ex molli viuida fama thoro:

Auarus.

Semper eget ſitiens medijs ceu Tantalus vndis
Inter anhelatas pauper auarus opes

Inuidus.

Inuida perpetuis vrit precordia flammis
Incedens fauſto ſors aliena pede.

Fortuna.

Vitrea dum ſplendet vultu fortuna ſereno
Protinus in vili fracta recumbit humo

Amici fortunę

Agmina quę nitido credis fidiſſima cęlo
Nube ſub obſcura terga fugata dabunt.

Seruandus modus in vtraqꝫ fortuna

Ne dextra elatum videat: fractumqꝫ ſiniſtra:
Adſit fortunę certus vtriqꝫ modus.

Aduerſa fortuna toleranda.

Perfer Vlyſſęo ſortem de more ſiniſtram
Hec bene duranti ſub pede victa iacet.

Aduerſis ſuccumbens.

Caſibus aduerſis fracta qui mente recumbit
Fortuna ignorat dexteriore frui.

Hypocrita.

Ne pura explicitę credas ſub imagine fronti:
Raptorem occultat pellis ouina lupum

Idem

Exteriora gerit qui ſimplicis ora columbę
Interiora vafrę pectora vulpis habet

Superbia.

Turgida ventoſos imitata ſuperbia folles:
Paſcitur aerio corpus inane noto

Venetus.

Plumoſa inſpiceres nudatum corpora coruum
Reddita ſi Veneto preda latrone foret

Ad Cęſarem Borgiam ducem valentinenſem:

Aut nihil: aut cęſar vexillo pingis inani
Pro magno fies Cęſare ſtulte nihil.

Iuuenta

Accenſa exardēs flammata libidinē pectus
Labitur in cunctum prona iuuenta nefas

Senecta.

Prudentem exhauſto mentem pro robore defert:
Matura ⁊ longa cocta ſenecta die.

Ficus Gallica ad Joannem Ruſeum

Fertilis at raras gignit quas gallia: ficus
Accipe: nam raros non niſi rara decent

Garrulus

Extremum ad malum primo quę obtundit ab ouo
Vitanda eſt menſę garrula pica tuę

Dentes

Natura omniparens dentes formauit acutos.
Ne vaga ſed clauſtris lingua ſit arcta ſuis.

Lingua

Quid melius lingua: lingua quid peius eadem
Triſtia cum dulci toxica melle gerit.

Fides

Aurea quam ſancto coluerunt ſecula ritu
Aut nulla aut noſtro eſt tempore rara fides.

Homo

Quid genus affectas vitã mortale perennem?
Quum ſis momento bulla caduca breui?

Mors

Clam venit orta metens ęqua mors omnia falcē
Hinc habet incertam neſcia vita diem

Mors haud timenda

Tenſa quid horreſcis miſſuram ſpicula mortem?
Nõ mors: ſed paſſi eſt meta ſuprema mali

Seruus

Quis non ſeruili dominus fraudatur ab arte?
Prodigium ſeruus grande fidelis erit.

Uxor dignitatis nomen non voluptatis

Nomina ſepoſita veneranda libidine geſtat
Quam iunxit caſto copula ſancta thoro

Uxor ob ſobolem ducenda:

Uxor habenda venit: non vt ſaturata libido?
Sed ſit in ęternos aucta propago dies

Curia

Larga quidem magnos promittit curia mõtes
Irrita ſed rapidis verba feruntur aquis

Eadem.

Quã bene conueniens ſortita eſt curia nomẽ
A grauibus curis curia dicta venit.

Pax

Securus placida mundus ſub pace quieſcit
Tranquillum eſt ſummi pax opus alma dei:

Bellum.

Perfurit ⁊ totum miſcet Mars impiꝰ orbem
Heu diro inuenta eſt ab Ioue tanta lues

Inlęmentia bellica:

Nulla eſt ardenti miſerans clementia bello

Impętuoſa pium dextera neſcit opus

Haud eſſe poſt victoriā ſęuiendum

Bellica queſito fręnanda eſt ira triumpho.

Haud ſęuit domito nobilis hoſte manus

Ira.

Sanguine ſcintillans feruenti naſcitur ira

Que ſemper domina mente domanda venit

Bombarda

Si celſum quateret moles bombardica cęlum

Tota foret capto machina ſtrata Ioue.

Juſticia.

Aequa gerit rectam librat que pondera lancem

Juſticia immota firma tenaxqꝫ manu

Prudens.

Quiſquis es o prudens Janum ſectare bifrontem

Sunt ora atqꝫ oculis tęrga videnda tuis

Fortis.

Inſtanti vęniunt ſubeunda pericula caſu:

Rebus in anguſtis fortia corda patent

Modeſtus.

Seruanda in rębus prefixa eſt meta gerendis

Non exceſſa pudēs facta modeſtus amat

Lex

Lex ſancta humanę ducta eſt qua regula vitę

Demiſſum ęthereo munus ab orbe venit.

Juris decreta

Comburenda in lęges voluminum maſſa.

Emiſſa in ſacras numeroſa volumina leges
Sunt phaetontęa tędia digna face.

Imperitus legum doctor

Icturus nullam centeno verbere legem
Non legum es doctor vane: quid ergo? dolor:

Sorbonicus.

Sorbonica inuictus lucta quicunqꝫ rediſti
Tu potes herculeas ſpernere tutus opes.

Sophiſta.

Caprinę nugas lanę ſi poſcis inanes
Stentoria exclamans voce ſophiſta dabit

Medicus illuſtris.

Clarus apollinea medicus qui fulgeat arte
Extat adoranda ceu deus alter ope.

Medicus indoctus

Rex aculeo carens

Quid metuis? princeps diro caret inclytus ęſtro
Non facit ad magnos vltio ſęua duces.

Promiſſum Regium

Stent fixa ęternum Regalia ſponſa per ęuum
Seruandam expoſcunt Regia verba fidem:

Voluptas ⁊ virtus

It male preſtanti diſpar virtute voluptas.
Hinc dolor ęternus: inde perennis honor.

Turpis ⁊ Formoſus

Turpis vt eſt pulchra facies virture nitenda.
Sic nitida labes fronte linenda venit

Puer fingendus ab optimo artifice

Cęreus eſt docto fingendus pollice vultus
Ora prometheum pulchra venuſtat opus

Mens
